

# Certificate of Approval

This is to certify that the Management System of:

## Grupo Fertiberia

C/ Agustín de Foxá, 27, Plantas 8-11, 28036 Madrid, Spain

has been approved by LRQA to the following standards:

### ISO 14001:2015

Approval number(s): ISO 14001 – 0041205

This certificate is valid only in association with the certificate schedule bearing the same number on which the locations applicable to this approval are listed.

#### The scope of this approval is applicable to:

Design and manufacturing of fertilizer nitrogen-based products and strontium salts. Production of industrial gases. Marketing of phosphated products.

Development, production, storage, expedition and commercialization of nitric acid 60%, ammonium nitrate solution, calcium ammonium nitrate (CAN), calcium nitrate double salt, ammonia aqueous solution, fluid fertilizers and urea- ammonium nitrate solutions (32 N and solutions with secondary and micro nutrients). Commercialization of ammonia, urea and AdBlue.

Development, production, storage and expedition of phosphate, compound and fluid fertilizers.

**Marta Escudero**

Regional Director, Europe

Issued by: LRQA Limited
